St Mortiz/Engadin, SUI
March 17-30, 2025**

1. SELECTION CRITERIA GUIDELINES

The U.S. Ski & Snowboard selection philosophy is aimed at fielding teams with athletes that are capable of winning medals or show potential for future medal success. Athletes will be selected to the World Championship Team based on the following principles.

- a. No minimum team size will be established.
- b. U.S. Ski & Snowboard policy mandates that team selection criteria shall be principally objective and performance-based, but it may also select athletes to the team using coaches' discretion.

2. ELIGIBILITY FOR CONSIDERATION

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license, and who meet FIS minimum eligibility standards.

U.S. Ski & Snowboard provides an equal opportunity to amateur athletes, coaches, trainers, managers, administrators, and officials to participate in amateur athletic competition, without discrimination on the basis of race, religion, age, gender, disability, national origin, or sexual orientation and with fair notice and opportunity for a hearing before declaring any such individual ineligible to participate.

An athlete shall be ineligible for consideration if at the time selections are made he/she is not fit to compete due to any injury or illness from which he/she is not expected to recover adequately by the time of the 2025 World Championship as verified by a member of the U.S. Ski & Snowboard medical staff. Such determination shall be at the discretion of the U.S. Ski & Snowboard Snowboard Sport Director and Chief of Sport in consultation with the VP of High Performance, Sports Medicine Director, High Performance staff, Discipline Head Coach, the Head Team Physician, and the Athlete's designated physician.
